		These instructions are provided to help charter schools (charters) prepare the Charter School Annual Financial Report (AFR). Within the forms, blue font indicates that an instruction is linked to that specific line. An instructions button has also been provided that links to any general instructions or to the first instruction for a page. To return to the related forms after reviewing the instructions, simply click on the form's tab at the bottom of the Excel screen or press the Alt and back arrow keys.
		The AFR presents condensed financial activity (i.e., beginning and ending balances, revenues and expenses, and budget to actual comparisons of expenses for the fiscal year) of the Charter for comparison purposes. This information assists sponsors, charter governing boards, administrators, ADE, legislators, other governmental agencies, and taxpayers in determining whether charters are meeting their stewardship responsibilities.
		The Charter should report all amounts to the nearest dollar. Information should not be entered in the shaded areas or protected cells. Formulas should not be changed and applicable footnotes and instructions should be followed to ensure uploaded files will pass all validation checks.
	General	All actual revenues, expenses, and account balances presented on the AFR must agree with the Charter's accounting records as of June 30, 2019. Revenue and expense account codes used in the AFR agree with the Uniform System of Financial Records for Arizona Charter Schools (USFRCS) Chart of Accounts. Charters that are exempted from all or part of the USFRCS in accordance with A.R.S. §15-183(E)(6) must use an accounting system that provides for the proper recording and reporting of financial data using USFRCS revenue and expense object codes. (See the USFRCS Chart of Accounts for more information on Project, Function, and Object Codes and Descriptions. http://www.azauditor.gov/sites/default/files/USFRCS.pdf) Expense budget amounts should be taken from the Charter's most recently revised or adopted budget, which has been submitted to ADE, for FY 2019.
		Revenues must include cash receipts through June 30, 2019, and accrued revenues received after the end of the fiscal year. Examples of accrued revenues are cost reimbursement and entitlement programs, interest earned on investments, and FY 2019 classroom site project revenues.
		Expenses consist of all expenses incurred during the fiscal year, including expenses for goods and services received on or before June 30, 2019, but not paid for by that date. Examples of items requiring such treatment are included in the USFRCS, pages VI-G-8 and 9.

		Alerts will appear on the cover page and throughout the form when areas of the AFR are not completed or do not appear to be accurately reported. The alerts will disappear as they are resolved. Detailed descriptions of the alerts, as well as guidance on how to resolve the alerts, can be found on the Alerts Tab. Charters should complete all areas of the AFR that apply to their operations, whether or not the item is listed in the alert. These alerts do not replace the need for a separate employee to review the AFR for accuracy and completeness. Charters should ensure that no alerts remain on the cover page before uploading the files.
Cover	Name, County, CTDS Number	The Charter Name, County, and CTDS number should be entered on the cover page of the AFR. The CTDS number should not contain any slashes, dashes, etc., and must be exactly nine digits. Zeros should be entered to fill the School portion of the number on the cover page. This information will be automatically transferred to other sheets in the file.

NPEFS data is required to be submitted by all charters and is used to calculate a State per pupil expenditure amount that is used in the formula for allocating a number of federal program funds to states and local education agencies, including Title I, Impact Aid, and Indian Education. Other programs use State per pupil expenditure data indirectly because their allocation formulas are based, in whole, or in part, on State Title I allocations.
